

**THOMAS P. SIMPSON**  
... Named Assistant Manufacturing Director at GP.

**Name Simpson Got A Job To Do, Assistant GP Walterians? Let Mfg. Director The Scouts Do It**

Thomas P. Simpson has been named Assistant Director of Manufacturing of the General Petroleum Corporation, according to an announcement made this week by Robert L. Minckler, president.

In his new post, which he will assume Aug. 1st, Simpson will report to Gale L. Adams, General Petroleum's vice-president and director of manufacturing.

Simpson joined General Petroleum in 1924 soon after his graduation from the California Institute of Technology. In 1935 he was transferred to the Socony-Vacuum Oil Company, Inc., of which General Petroleum is Western affiliate, as chief development engineer of the Socony-Vacuum Laboratories.

Since 1947 Simpson has been director of Socony-Vacuum's Research and Development Laboratories, with headquarters at Paulsboro, New Jersey.

A native of Los Angeles, Simpson is a brother of the late William Simpson, district attorney of the County of Los Angeles.

Mrs. Simpson and their two sons are also natives of Southern California.

**Got A Job To Do, Walterians? Let The Scouts Do It**

Walteria residents have been offered a chance to get that household job that they've been "meaning to do" done this week by members of Boy Scout Troop 240.

The Scouts will go from door to door in Walteria beginning Tuesday, to sell their services to householders. By doing so, they hope to raise enough money to help finance a week at Camp Big Horn, from July 25 to Aug. 1.

The boys say they will do anything from walking "Fido" to moving and watering lawns, cleaning out garages, shearing hedges, or any other odd jobs.

There will be no set sum charged for these services. Instead the amount donated will be entirely up to the home owner. They may give the Scouts anything that they believe the job is worth.

It is hoped by the boys that they will be able, in this manner, to earn enough to give them all a happy week of entirely expense-free camping. Walteria home owners are urged to help them accomplish this end, according to Mrs. Elsie Pestoff, publicity chairman for the Scouts.

**It's Vacation Time In Seaside Heights**

By SUE BURK  
Frontier 5-4549

Mrs. Dorothy Swanson and two children, Kenneth and Lee, are visiting in Calgary, Alberta, Canada for two weeks. After the wedding of Mrs. Swanson's sister, which will take place in Canada, they shall return here with the company of Mrs. Swanson's mother, who wishes to visit the Seaside Heights, Calgary in Canada's wheat center and site of the famous Calgary Stampede and internationally famous rodeos.

Mr. and Mrs. Jim McClune of Doris, Way have returned from vacationing in Ensenada Park for three days. The McClunes spent their time sightseeing and said they would have stayed longer, but so many people made it impossible to find a place to stay. Do hope you enjoyed your vacation though, folks.

Mr. and Mrs. Jack Chomnie of Zakon returned from vacationing in Santa Barbara. The couple spent three days of wonderful weather and just resting from the monotonous work of everyday life. Both reported a very nice time. We are sorry to hear, though, that the Chomnie family will be leaving us sometime soon. We don't know if they are moving to the Lakewood district or to the state of Tennessee.

A great number of families stayed home over the week-end holidays. Among them were Mrs. Frank Renz, Mr. and Mrs. Jack Mitchell, Mr. and Mrs. Richard Grierson, and Mr. and Mrs. Frank Burk. They joined together to give a hamburger and wiener bake for their children in the open field behind their homes. After the fry, take the children (Mike Renz,

Rosemary and Carolyn Grierson, Mrs. Jimmie and Larry Mitchell, Clifford, Donna, and Butchie Burk) had a real celebration with the many pretty fireworks.

Holiday week-end visitors in the home of Mr. and Mrs. Floyd Holstin were Mr. and Mrs. Everett Holstin, Mr. and Mrs. Bernard Sprague and daughters Jo-lyne and Peggy. The three families enjoyed a huge charcoal-broiled steak dinner in the open, and oodles of fireworks to top off the day. Both Floyd and Merle reported a very good time and the evening was perfect for outdoor eating.

We hear that Mrs. Jo Jurisch and sons, Greg and Jackie of Bindewald are taking swimming lessons at the Palos Verdes Beach Club. Hope the boys learn to swim well, and have an excellent time besides. Have real fun, kiddies.

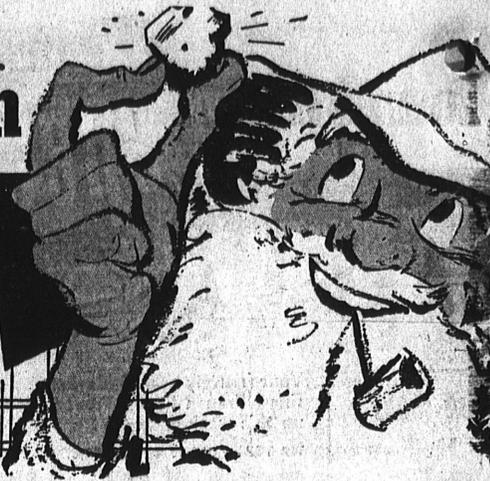

A happy occasion over this week-end happened to the Ivan Zubak family of Bindewald. Not only did Mr. and Mrs. Zubak celebrate their seventh anniversary, but they also took the children, Chuckie and Judy, to Catalina to enjoy the week-end and the Fourth of July celebration that is held each year on the island.

A big welcome to Mr. and Mrs. Ted Parker, who have moved into the McMillon home on Zakon Rd. Ted and Cora and their family moved here from Wichita, Kansas, on Monday, the 29th of June. Both are natives of California, and to top off the beauty of it all, the Parkers have twin daughters, Peggy and Sally. Again a welcome to you kids, and we do hope you like it here.
